Designed by Rees Jones, Legend Trail Golf Club offers bent grass greens and an amiable challenge that seems to capture a bit of Scottsdale's Old West spirit. This premiere course has a special essence of the Southwest Sonoran style of golf. With it's wide fairways, fantastic bent grass greens, small bunkering and island tees, it's no wonder Legend Trail has been chosen as one of Golf Magazine's Top 100 courses.

It gets better. Golf Digest magazine rates Legend Trail with 4-1/2 out of 5 stars for "Best Places to Play." Additionally, we are one of the Top 100 Woman-Friendly Fairways as rated by Golf For Women magazine.
